COME TO FIGHT.

Nox Raiden is a performance chassis, excellent for gamers, overclockers and enthusiasts. The sharp lines of its design and the attack style is what makes Raiden looks so atractive.
The front and top panels in metal mesh improve ventilation airflow, and the screwless drive bays makes it easy to swap optical drives and HDDs. Get ready for this experience. Come to fight.

- Screwless drive bays
- Top and front panel in metal mesh
- Cage for HDDs with dedicated 120mm fan
- Supports up to 5 fans
